SUIT FOR SLANDER.

Rev. W. R. Covert Sued by a Spiritualistic Medium of Anderson.

ANDERSON, Ind., March 10.—Mrs. Dr. Hillogoss filed suit for \$10,000 damages for alleged slander in the circuit court last night against Rev. W. R. Covert, president of the Church of God of the United States. The minister has been holding a series of meetings in this city, the stronghold of Indiana spiritualists. He made a long and vigorous attack against spiritualism and mediums, denouncing theism as a lie, a snare; and mediums as liars, fools and ignoramuses. He made this assertion from the pulpit. Hillogoss, who is a well known medium, took exception to it, and it is claimed by her, while in anger, he called her "a liar, fraud and fake." Mr. Covert has placed \$50, and challenges any medium to produce anything that he cannot do and expose.

HOWARD GOULD'S NEW YACHT

Will Be Finished by the Herreshoffs in Time for the Clyde Races.

The twenty-rater yacht Niagara, being built by the Herreshoffs for Howard Gould, is planked with three-eighth inch pine inside and seven-sixteenth inch mahogany on the outside. She is to be ready and turned up fit to cross the Atlantic in time for the Clyde races in May. She will, it is said, be 45 feet on the water line and about 60 feet over all. Rumor has it that Capt. "Charley" Barr, formerly skipper of the Nava-hoe, and last year in charge of the Gloriana, has declined an offer to sail the Niagara in her races abroad.

The Wealth of the Nations.

The computed wealth of the four richest nations is: England, \$50,000,000,000; France, \$45,000,000,000; Germany, \$28,400,000,000; and United States, \$62,600,000,000 in 1894, against \$31,000,000,000 in 1870.

Now that the war of the revolution is over, it is the duty of every man to support the existing form of government. Although things may not move with that cordiality that would ensure an everlasting peace, still they may be allowed to subside into that indifference without animosity that would allow either party to work out their best interests. All things considered it may be for the best, but time, the only arbitrator in such cases, must alone decide that James T. Stewart is a Plumber and will do your work in good shape and at figures that will give you satisfaction.

DURING MY ABSENCE FROM THE country Mr. Choy Chee will act for me under full power of attorney.

Pleasant Valley, New York.

Many suffer from serious disorders of the liver and stomach. Impurities in the blood tend to poison the vital fluid. The failure of the organs to properly remove the waste from the system allows the germs of disease to accumulate and not until the whole system is affected do many realize that impure blood is the cause of all their trouble. Mr. Sidney S. Masten of Pleasant Valley, N. Y., whose testimonial letter follows, is a well known painter. His health was impaired by lead poison and gradually his whole system became affected. He resorted to Hood's Sarsaparilla and in it found a purifier of the blood and a restorer of the liver and kidneys to natural action; in short, a good appetite and renewed strength and vigor has followed his taking Hood's Sarsaparilla. Read and consider:

"Gentlemen:—I am a house painter by trade and have been troubled with liver

and lie flat on my back to get relief. I had a great deal of headache and my appetite was very poor. In fact, for the last year, I have been all broken up. I have treated with six different doctors who helped me only for a short time. Some said I had enlargement of the liver and another that it was

Due to Lead Poison

and that I would have to give up the painting business. About the middle of April last I was obliged to give up work entirely for a week. I told my wife that I was discouraged and she finally persuaded me to take Hood's Sarsaparilla. I had taken a great many different medicines and all had failed, but I decided to make one more trial and bought a bottle of Hood's Sarsaparilla. Before it had all been taken I felt better and now, having taken three bottles I have no trouble with my side. I am free from constipation and

complaint for about ten years. I have also suffered much from constipation, being obliged to take a cathartic every few days. I have used many different kinds of Pills which gave me only temporary relief. In the night I would wake up and my mouth would be so dry it would seem almost impossible to get moisture enough to wet it. I had a great deal of trouble also in my side under my short ribs. It would often

have a good appetite. I work every day, and

thanks to Hood's Sarsaparilla. I recommend it to all as one of the best tonics on the market, and I intend to continue taking it from time to time." SIDNEY S. MASTEN.

Hood's Pills are the best after-dinner pills, assist digestion, prevent constipation.

Pure Milk.

The business of the country is settling into its former groove. Our gentlemanly driver has returned from his vacation, the cows in the pasture switch flies instead of bullets with their tails and the cream is richer in consequence. We believe we have satisfied every one of our customers who have taken milk from us and we are in a position to supply a great many more. The people who from choice or necessity visited Waialae during the past two weeks have had an opportunity to see just what sort of diet our stock feeds upon, and no longer wonder at the richness of the milk from our dairy. Our facilities for delivery are the best. With the exception of a day or two early in the late unpleasantness our drivers have always been on time at our customers' residences. We take this opportunity to thank those who have been patient with us and to solicit a continuance of their patronage. We will be pleased to fill all orders telephoned to us and guarantee all milk to be pure and free from adulteration.
